DREAM BIG! UnidosNow's mission is to elevate the quality of life of the growing Hispanic/ Latino community in the Manatee - Sarasota region through education, integration and civic engagement. We provide programs to elementary through college students and their families.

Whole Family Approach! We are dedicated to implementing a culturally-sensitive, multi-generational approach of engaging both parents and students to help them integrate into the community and understand how the U.S. education system works.

Join us in elevating the lives of low-income, first-generation students through our successful educational programming and community partnerships. To make a donation or volunteer, please go to: UnidosNow.org or call us at 941-256-0625.
